

St T's Readers Jan - Mar 2017

Readers: If you would like to announce the chapter, verse number and page from the pew bible for the readings, that is appreciated by some people but it isn't essential to do so. The Lectionary is the NRSV, considered the best for public reading but not necessarily the one you have at home.

See www.biblegateway.com if you want to read and practice in advance.

Call Mary on 01225 465065 if you have any questions, or email: admin@widcombe.church
